

Lakeview Montessori Summer 2021

Exploring the Hawaiian Islands

Summer 2021 will be an adventure through the beautiful tropical islands of Hawaii! We will introduce our 50th state as a natural paradise, rich with plant and animal life, culture and beauty. In addition to the Montessori curriculum, each two-week session will be enhanced with a specific topic including related literature, music, and art. You may apply online at lakeviewmontessorischool.com under "REGISTER". Select Summer 2021. The form below must also be signed and returned.

Session 1

June 14-June 25

Geography and Geology of Hawaii

We will learn where the state of Hawaii is located on the globe, and how the Hawaiian islands were geologically formed. Our focus will be on volcanoes, both active and dormant, and the role volcanoes play in the formation of islands. Children will build a model volcano and identify its parts. We will learn what causes volcanic eruptions, and create an eruption with our own model volcano!

Session 2

June 28-July 9
Closed July 5

Under the Sea

Hawaii's ocean life is a natural treasure. The variety of sea life, the delicate balance of the sea world, and its phenomenal beauty will be the focus during this two-week session. The living organism, Hawaii's coral reef, will offer a colorful glimpse into this new world as we learn the importance of protecting and maintaining this precious ecosystem.

Session 3

July 12-July 23

Whales and Dolphins

These related mammals are a fascinating attribute to the Hawaiian waters. We will learn about the species most commonly seen in this area of the world, their differences and similarities, and explore the concept of marine migration. The children will discover the wonder and beauty of these gentle giants and their cousins.

Session 4

July 26-Aug 6

The Hawaiian Rainforest

Hawaii offers a myriad of habitats. In this session we will introduce the characteristics of a rainforest, identify where this tropical paradise is located, and learn why the lush environment is home to so many unique and colorful birds. Children will identify key elements in this delicate biome as we design our own rainforest.

Session 5

Aug 9-Aug 20

Music and Dance of Hawaii

Hawaiian culture is still alive in this contemporary 50th state. We will enjoy making grass skirts, leis, and pupus as we learn the storytelling aspect of Hawaiian dance and music. Our festive summer activities will close with a luau where children will enjoy their newfound awareness of this rich and diverse culture.

Lakeview Montessori Summer 2021

Exploring the Hawaiian Islands

Please review the following schedule, complete and return the enrollment form. **Spaces are limited and will be available on a first come, first served basis.** Summer sessions are usually in demand. In order for us to plan appropriate staffing and buy needed supplies, tuition for each session must be **paid in full** when you register and is **non-transferable** and **non-refundable**. If your child is a full-care student, and will attend **all** summer sessions, you may pay tuition on a monthly basis. **If you elect to pay monthly, this is a contractual agreement to pay the monthly tuition for the entire summer whether your child attends or not. We will be open August 23, 24, & 25 for daycare ONLY for children that have attended Monday-Friday 8-6 for all 5 sessions.**

TUITION FOR EACH 2 WEEK SUMMER SESSION:	9:00-3:00	8:00-6:00	9:00-11:30 or 12:30-3:00
2 days per week (T/Th)	\$392.50	\$520.00	x
3 days per week (M/W/F)	\$590.00	\$725.00	x
5 days per week (M-F)	\$780.00	\$915.00	\$447.50
